ABOUT US

SVGLOBALENTERPRISES Exports. We introduce ourselves and Specialize in Manufacturing & Exports of Dehydrated Onions, Dehydrated Garlic, Other Dehydrated Vegetables, Spices and Agro Products from Gujarat. The name of the company SVGLOBAL ENTERPRISES

We are the Pioneer in Manufacturing of Dehydrated Products in Gujarat, INDIA. The company is managed by 3rd generation entrepreneur having vast experience in the dehydration industry and expertise in Implementation of global foods safety standards and garnering client's satisfaction.

Our products are widely appreciated by Our Esteemed Customers in the International markets of Germany, Netherlands, Italy, Spain, Greece, Poland, UK, USA, Russia, Australia, South-East Asian countries etc. We supply our products to many renowned companies in domestic market also. Addition ally, we are also registered supplier of dehydrated onions, garlic & other vegetables.

Our aim is to produce goods as per the ISO Standards and accomplish Orders without any hassle ensuring timely delivery. We have employed teams of qualified and experienced profession als who are well versed with the current market requirements. In addition, we have set up our own SVGLOBALENTERPRISES COLD STORAGE We have capacity of producing about 15 tons of dehydrated vegetables per day. This enables us to stock products during Off-season help us supply best quality materials with consistent Color and Flavor all-round the year as per the scheduled requirement. We strongly believe in Timely delivery and best quality material supply, as per the samples approved by the buyer. We are registered with ISO, FSSAI & APEDA.

We process all varieties of White, Red and Pink (Yellow) onions. We are in the heart of Onion and Garlic mounting area and hence we can procure selected varieties of Onion, Garlic and vegetables as per our requirement at competitive rates. This enables us also to make our production faster and better for quicker delivery. All these factors have made us to export our products satisfactorily to our buyers in international market as well as domestic market.
